WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any of the Constables of the Town of Wayland, in said County:

GREETINGS;

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town election to meet at their respective polling places on

MONDAY, MARCH 1, 1937

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, a Surveyor of Highways, a Tree Warden, seven Constables, all for one year.

One Commissioner of Trust Funds for one year.

One member of the School Committee, one Cemetery Commissioner, one Commissioner of Trust Funds, two Trustees of Public Library, one member of the Board of Public Welfare, one Assessor, one member of the Board of Health, one Water Commissioner, one Park Commissioner, and two members of the Planning Board, all for three years.

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 o'clock in the forenoon and will remain open continuously until four in the afternoon, when they shall be closed.

And you are required to notify and warn the inhabitants of said Town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 3, 1937

at 7.45 P. M., then and there to act on the following articles:

Article 1. To hear reports of the Town officers, agents, and committees, and act thereon.

Article 2. To choose all necessary Town officers, agents, and committees not elected by the official ballot.

Article 3. To grant money for necessary Town purposes.
See Finance Committee's Report.

Article 4. To see if the Town will authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than a year in accordance with Section 17, Chapter 44, General Laws.

The Finance Committee recommends the approval of this article.

Article 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for municipal purposes, under authority of and in accordance with the provisions of Chapter 49, of the Acts of 1933, as amended by Section 2, Chapter 300, of the Acts of 1935, and as amended by Chapter 281, Acts of 1936, or take any action thereto.

The Finance Committee recommends the approval of this article.

Article 6. To see if the Town will appropriate and assess the sum of \$1,742.82 to pay the following 1934, 1935, and 1936 bills which were presented for payment after the Town books were closed, or do or act.

UNPAID BILLS OF 1934 AND 1935

Public Welfare :

Framingham Union Hospital	\$89.00	
“ “ “	42.05	
“ “ “	87.85	
“ “ “	9.00	
City of Waltham	48.52	
	—————	\$276.42

UNPAID BILLS OF 1936

Public Welfare :

The Great A & P Company	\$109.97
The Spencer Oil Company	7.76
Framingham Union Hospital	123.20

State Hospital at Norfolk	102.50	
City of Waltham	46.08	
Town of Clinton	226.60	
City of Quincy	155.25	
	<hr/>	771.36
Vocational Tuition		
City of Newton		474.75
Water Department		
William Morrissey	\$ 5.00	
Red Hed Manufacturing Company	188.10	
Standard Oil Company of New York	27.19	
	<hr/>	220.29
		<hr/>
		\$1,742.82

The Finance Committee recommends the payment of Vocational Tuition and Water Department bills itemized above. The bills of the Welfare Department for the years 1934, 1935, and 1936 were presented too late for consideration and recommendation.

Article 7. To see if the Town will accept the following :

Gift of \$100 received from Annie B. Bent to establish the "James A. Bent Fund," income from which to be used for perpetual care of lot No. 63, Section B, Lake View Cemetery.

Bequest of \$200 received from Blanche D. Schleicher, Executrix, to establish the "Erwin W. Schleicher Fund," the income from which to be used for perpetual care of lot No. 18, Section E, Lake View Cemetery.

Gift of \$100 received from Nathaniel R. Gerald to establish the "Nathaniel R. Gerald Fund," income from which to be used for the perpetual care of lot No. 14, Section B, Lake View Cemetery.

Gift of \$150 to establish the "Samuel H. MacKenna Fund," income from which to be used for the perpetual care of lots No. 175 and 177 in the North Cemetery.

The Finance Committee recommends the approval of this article.

Article 8. To see if the Town will appropriate \$258 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1936 in accordance with Chapter 114, Section 15, of the General Laws, or do or act.

The Finance Committee recommends the approval of this article.

Article 9. To see if the Town will appropriate for payment of Water Main Extension Notes maturing in 1937 the sum of \$4,500 to be taken from "Water Available Surplus," or do or act.

The Finance Committee recommends the approval of this article.

Article 10. To see if the Town will appropriate for payment of interest due in 1937 on Water Extension Notes the sum of \$1,345 same to be taken from "Water Available Surplus," or do or act.

The Finance Committee recommends the approval of this article.

Article 11. To see if the Town will appropriate for "Water Department Maintenance" the sum of \$6,589.22 to be taken from "Water Available Surplus," or do or act.

The Finance Committee recommends the approval of this article.

Article 12. To see if the Town will vote to adopt a By-Law to make the Tax Collector Town Collector, or take any action relative thereto.

The Finance Committee recommends that a committee of three be appointed consisting of one member of the Board of Selectmen, one member of the Finance Committee, and the third member to be chosen by the two to study the advisability of having a Town Collector.

Article 13. To see if the Town will accept the gift of land situated on the Westerly side of the Mill Pond near Wayland Centre formerly owned by Mary A. Brackett and more recently owned by Sophia W. Sears, said property to be used for park purposes, and will authorize the Board of Selectmen to accept the gift of said property, subject to any outstanding taxes, to be used as aforesaid, or do or act.

The Finance Committee recommends the approval of this article.

Article 14. To see if the Town will accept the following bequest under the will of the late Francis Shaw: "To the

Trustees of the Wayland Free Public Library, Five Thousand Dollars (\$5,000) the income only thereof to be used for the general expenses of the said Library, preferably for the upkeep of its buildings," or do or act.

The Finance Committee recommends the approval of this article.

Article 15. To see if the Town will vote to appropriate and assess a sum of \$6,000 for the reconstruction and improvement of Concord Road, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or do or act.

The Finance Committee recommends that \$6,000 be appropriated and assessed to be used in conjunction with money to be received from the State or County for further improvement of Concord Road under Chapter 90—the work to be done in a manner not involving over \$500 of land damage.

Article 16. To see if the Town will appropriate and assess a sum of money to be used in connection with W. P. A. or similar Federal or State projects, or do or act.

The Finance Committee recommends the sum of \$20,000 in connection with W. P. A. or other similar Federal or State agencies providing labor, said sum to be made up as follows:

Unexpended balances from the 1936 appropriation	
Unspecified	\$3,057.66
Gravelling Glezen Rd.	2,965.00
Grading about High School	750.00
Water Main—Dudley Rd.	10.75
Water Main—Hemlock Rd., etc.	198.55
Water Main—Oak St. and Valley View Rd.	1,800.00
	<hr/>
	\$8,781.96

the balance of the \$20,000, that is \$11,218.04, to be appropriated and assessed to provide for materials, trucking or other necessary expenses, \$5,000 of the \$11,218.04 amount to be used only on projects where \$5 of State or Federal money will require not over \$1 of Town money, the entire amount to be administered by the Selectmen.

Article 17. To see if the Town will extend a six-inch water main with four hydrants, gates and fittings along Rice Road, beginning at Commonwealth Road for a distance of 3,000 feet at an estimated cost of \$4,000 to the Town, labor to be supplied by the Federal Government under a Federal Project.

The Finance Committee does not recommend the approval of this article inasmuch as the expenditure is out of all proportion to the amount of revenue to be derived. Substantially the same article was considered and passed over at last year's meeting.

Article 18. To see if the Town will appropriate and assess a sum of money to replace the Fire Alarm System in Cochituate and extend one circuit to Wayland Village, and install necessary Boxes and Transmitter in Wayland, or do or act.

The Finance Committee is informed on inquiry in neighboring cities and towns where box alarm systems are maintained that on the average over 80% of all alarms are received by telephone and that many of the alarms sounded from boxes are false. Upon investigation as to the elements affecting the insurance classification of the Town it was found that a complete signal system is one of the less important items and would not alone affect the classification of the Town or affect the insurance rate. The proposed installation involving an expenditure of approximately \$5,000, part of which would be in a territory already partially covered, would merely be the beginning of a system which would cost many times this initial expense and when completed would not improve the Town's rating or save property owners any money.

With full appreciation of the services and interest of our Fire Department, the Finance Committee feels this expenditure would be unwise and that before any major program such as this is undertaken a complete study should be made of the relative values of the various forms of fire protection, so that funds may be expended on the most important things first.

The Finance Committee, therefore, does not recommend the approval of this article.

Article 19. To see if the Town will appropriate and as-

sess a sum of money to install Fire Alarm Boxes in the school buildings, or do or act.

The Fire Department advises that this installation can not be effected if the work called for in the previous article is not accepted. The Finance Committee does not recommend the approval of this article.

Article 20. To see if the Town will vote to provide a drainage system for the land surrounding the grade school in Cochituate south of West Plain Street and west of Main Street: make provision to carry out the work under the direction of the Selectmen as a W. P. A. or other Federal or State project; authorize the taking by eminent domain of any necessary land or easement; and make appropriation therefor, or do or act.

The Finance Committee understands that this work will relieve a deplorable drainage situation at the Cochituate grade school and feels it should have priority over any other drainage work.

The Finance Committee, therefore, recommends the approval of this article as a W. P. A. or similar Federal or State project and that the Town's share of the expense be taken from the Article No. 16 appropriation provided for such work.

Article 21. To see if the Town will vote to provide a drainage system for East Plain Street: make provision to carry out the work under the direction of the Selectmen as a W. P. A. or other Federal or State project; and make appropriation therefor, or do or act.

The Finance Committee believes that the proper drainage of Cochituate Center is one which should be progressively accomplished and done as a W. P. A. or similar project, but it is not sure that it can be undertaken this year with the present quotas.

The Finance Committee recommends that the matter be left with the Selectmen as administrators of the W. P. A. as provided in Article No. 16.

Article 22. To see if the Town will vote to provide a drainage system for West Plain Street: make provision to carry out the work under the direction of the Selectmen as a W. P. A.

or other Federal or State project; and make appropriation therefor, or do or act.

The Finance Committee believes that the proper drainage of Cochituate Center is one which should be progressively accomplished and done as a W. P. A. or similar project, but it is not sure that it can be undertaken this year with the present quotas.

The Finance Committee recommends that the matter be left with the Selectmen as administrators of the W. P. A. as provided in Article 16.

Article 23. To see if the Town will vote to accept as Town ways, Pine Ridge Road, Pine Ridge Road extension, and a portion of Lake Path to the intersection of Hemlock Road, or any portion therefor, all situated within or adjacent to Woodland Park Development, as laid out and filed by the Board of Selectmen substantially in accordance with plans prepared under the direction of the Planning Board by E. Worthington, C. E., dated August 9, 1935, and on file with the Town Clerk; work to be done under the Betterment Act, and authorize the Selectmen to acquire any necessary land by eminent domain, purchase or otherwise appropriate a sum of money for acquiring such land and for building said ways, or do or act.

This is the same article which was submitted to the Town at last year's annual meeting and voted down. Since then nothing has been done to overcome the objections then raised. Until such time as all necessary releases are obtained so that there can be no damages and the work done under the Betterment Act as a W. P. A. or similar Federal or State project, the Finance Committee feels that the work should be deferred.

The Finance Committee therefore does not recommend the approval of this article.

Article 24. To see if the Town will appropriate and assess a sum of money for the purpose of installing a water main in Hawthorne Road from Old Connecticut Path to Beech Street.

This article was presented to the Town Meeting last year at which time all but two houses on the road were getting water from Sycamore Road. At that time the Town voted to pass over the article.

The Finance Committee does not recommend the approval of this article.

Article 25. To see if the Town will appropriate and assess a sum of money for the purpose of installing a water main in that part of Lake Path and Pine Ridge Road Extension to be laid out and accepted as Town ways.

No facts or costs were given the Finance Committee for this article. These are the streets proposed in a preceding article.

The Finance Committee does not recommend the approval of this article.

Article 26. To see if the Town will appropriate and assess a sum of money to purchase, or to pay the damages for taking by eminent domain, a piece of land to be used for burial purposes to enlarge the Lake View Cemetery, said piece of land now supposed to be owned by the heirs and devisees of the late Edward Dammers: said piece of land adjoins the North East boundary of Lake View Cemetery and is described as follows: Starting at a point of the Northeasterly line of present Lake View Cemetery and running approximately 152 feet on unaccepted way, thence at right angle to said way in a northerly direction 322 feet to a bound, then at an approximate right angle in a westerly direction approximately 238 feet to present cemetery property, thence along present cemetery land southerly 341 feet to a point of beginning, or do or act.

The Finance Committee has been advised that on the basis of the sale of lots during the past few years there are now available a sufficient number of lots for several years—it recommends, however, that the proposed tract of land may be taken for cemetery purposes by eminent domain unless the land can be acquired at private sale at a price not exceeding \$500, and that the sum of \$500 be appropriated and assessed.

Article 27. To see if the Town will grant permission that the following described land may be used for burial purposes, that is, Starting at a point of the Northeasterly corner of present Lake View Cemetery and running approximately 152 feet on unaccepted way, thence at right angle to said way approximately 238 feet in a westerly direction to point of beginning, or take other action in regard thereto.

The Finance Committee recommends the approval

of this article in the event the Town acquires the property described in this article.

Article 28. To see if the Town will appropriate and assess a sum of money to purchase or take by eminent domain the following parcels of land for the Highway Department for use as Town gravel pits: (1) a parcel of land adjoining the Town land now used for Highway Department garage; (2) a parcel of land adjacent to the aqueduct just off Stonebridge Road.

The Finance Committee recommends the purchase of the first piece at a cost not to exceed \$600 and as to the second piece the Finance Committee feels the need of further information and will, therefore, make its recommendation at the Town meeting.

Article 29. To see if the Town will appropriate and assess the sum of \$100 to be expended by the Board of Selectmen to erect a flag pole on the Town Hall building and purchase a flag to use on the same, or do or act.

The Finance Committee does not recommend the approval of this article as there is a public flag pole in the center of the Town at the present time.

Article 30. To see if the Town will vote to appropriate and assess the sum of \$239.68 to pay the 1934, 1935, and 1936 taxes on the land of Charlotte Adams, given to and accepted by the Town of Wayland, subject to outstanding taxes.

The Finance Committee recommends the approval of this article.

Article 31. To see if the Town will vote to appropriate and assess a sum of money to be used for the preparation of Assessor's plans in such a way as to produce the initial pages of a Town Atlas covering the whole or portions of the more thickly settled districts of Cochrutuate, Dudley Pond and Wayland Center, or do or act.

The Finance Committee does not recommend the approval of this article at this time, but feels that this is a project which merits consideration at a later date.

Article 32. To see what action the Town will take, if any, on the question of Building Laws or to authorize the appointment of a Special Committee to investigate Building Codes and to prepare a report with definite recommendations upon which

intelligent action may be taken by the Town at a future Town meeting.

The Finance Committee recommends the appointment of a committee of three composed of the Chief of the Fire Department, the Chairman of the Planning Board, and the third to be chosen by these two.

Article 33. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing articles.

The Finance Committee recommends the approval of such action as may be suggested by the Town Treasurer.

And you are required to serve this Warrant by posting copies thereof, attested by you, at the Town Hall, at each Post Office in Town, and at the Legion Hall, at Cochrane, seven days, at least before the time of holding said election.

Hereof, fail not, and make due return of this Warrant with your doings thereon to the Town Clerk on or before March 1, 1937.

Given under our hands and seal this eighth day of January in the year of our Lord one thousand nine hundred and thirty-seven.

HERMAN F. ALLEN,
WILLARD C. HUNTING,
JOHN W. LEAVITT,
Selectmen of the Town of Wayland.

A true copy, attest:

Constable of the Town of Wayland.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee feels that the attention of the taxpayers should be called to the commendable manner in which the Selectmen have managed the W. P. A. funds and work during the past year in order to secure the greatest benefit for the Town and for those needing work. Some projects were not started which were planned as it was considered good business to postpone them temporarily while men could work on State and Federal projects at no expense to the Town. Furthermore, the starting of these projects would have caused men from out of town to be brought in here. It is understood that some of them will be done this year and where money was specifically appropriated, that money remains available.

During 1936, Wayland received \$53,000 for labor and \$27,000 in commissary supplies for the Welfare Department. Much of the labor was employed on permanent work such as water lines. If this money had been assessed in the Town, it would have added about \$16 to the tax rate .

The Welfare Department should be somewhat relieved this year by the transfer of some persons formerly on the welfare list to Old Age Assistance and to Mother's Aid for which the Town receives partial reimbursement from the State and Federal governments. There was received last year under the Old Age Assistance Act from the Federal Government the sum of \$1,767.62 which is available for use this year, and such monies as are received this year under the Act can be used during the current year. This should provide for approximately half of the total cost of this department. The Finance Committee believes that greater economy should be obtained in the management of these departments by the employment of one man who shall do the investigating, keep the records, attend to necessary reports, make prompt and proper billings to other towns and cities and to the Federal and State offices and to such other matters as the efficient management of a department of this

kind requires. The funds for the employment of such a person are recommended in the Finance Committee's budget report.

The \$5000 note due this year on the High School will be provided for by the unused balance of the Federal grant.

An increased appropriation for street lighting is recommended by the Finance Committee this year that some new lights may be supplied on the east and west sides of Dudley Pond.

The Town of Wayland owned on January 1, 1937, through tax title foreclosure or holds tax title to 123 pieces of property with a total valuation of \$213,050 and representing \$25,133.75 of unpaid taxes. Uncollected taxes exceeded \$90,000 more. Taxes for 1936 were only 57% collected at the first of the year.

A large amount of taxable personal property has been removed from Town during the past two years and almost no new property has been added. There are scores of good properties for sale and only five new houses have been started. There must be a reason. Other nearby towns are enjoying very considerable new building, renovation and general property improvement. The Finance Committee bespeaks the immediate effort of the residents, taxpayers, our Town Officers and Departments to make Wayland attractive to home owners. This Committee believes that adequate money is being expended, but that there should be greater efficiency in the spending of it. Much could be accomplished by careful planning and consideration of costs and actual benefits to be received and by a greater co-operation and co-ordination between officers and departments, especially those departments which are so closely related in their work as the following: (1) W. P. A., Welfare and Old Age Assistance; (2) Water Department and Tax Collection Department, with reference to the collection of water liens; (3) Water Department and Fire Department with reference to fire protection.

The Finance Committee budget for the year 1937 is as follows:

Finance Committee's Budget for 1937

	1936 <i>Appropriated</i>	1936 <i>Expended</i>	1936 <i>Balance</i>	1937 <i>Recommended</i>
GOVERNMENT				
Reserve	\$4,000.00	\$3,727.20	\$272.00	\$5,000.00
Moderator	9.00	9.00		9.00
Selectmen:

The Finance Committee further recommends :

That the money received from dog taxes be divided : One-half to the Schools Educational Fund account and one-half to the Library—Expense account.

That the wages of Town labor, as required by the statutes, be fixed by the various department heads at rates not in excess of those paid by the State.

That all expense due to the collection of dog taxes and care of unlicensed dogs be paid from the Police Department—Expense account.

That the unexpended balances in the following accounts be transferred to Excess and Deficiency Account :

Concord Rd.—Section 4—Reconstruction and relocation	\$940.27
Concord Rd.—Section 5—Construction	.15
Pelham Island Rd.—Resurfacing under Chapter 464—Acts of 1935	.01

Respectfully submitted,

JOHN B. HOLT,
WILLIAM J. SCOTLAND,
ELMER F. MATHEWS,
THOMAS W. BOWLES,
THOMAS F. McMANUS,

Finance Committee, Town of Wayland.

February 8, 1937.

VOTES ENACTED AT THE ANNUAL TOWN MEETING, MARCH 4, 1936

Town Clerk's Office,
Wayland, Massachusetts.
March 4, 1936.

Warren L. Bishop, Moderator :

Pursuant to the following warrant the inhabitants of the Town of Wayland met this day and did the following business.

Article 1. To hear reports of the Town officers, agents, and committees and act thereon.

Mr. Llewellyn Mills, in behalf of the School Committee and the Wayland High School, wished to extend thanks and appreciation to the Ladies Auxiliary for the silk flag for the inside and the bunting flag for the outside of the new building.

Article 2. To choose all necessary Town officers, agents and committees not elected by the official ballot.

Voted that Arthur B. Bullard, John Connelly and Isaac Damon act as Trustees of the Allen Fund.

Voted that the Selectmen act as Fence Viewers.

Voted that the Constables act as Field Drivers.

Howard Hayes, Melville Loker, William S. Lovell and Arthur F. Marston were elected Surveyors of Lumber.

Arthur W. Atwood, Joseph Decatur, William S. Lovell and Arthur F. Marston were elected Measurers of Wood and Bark.

The following were elected members of the Memorial Day Committee :

Civil War Veteran
George B. Howe

Spanish War Veterans
James Bennett, Frank C. Moore, Thomas Murray and
John Wright.

World War Veterans

George Earl Barry, Phillip Burbank, Frank A. Burke, William F. Curley, Ernest H. Damon, August Dath, Arthur H. Dudley, John W. Leavitt, Parker H. Groton, Cornelius J. Maguire, Joe Perodeau, Percy H. Steele.

Article 3. To grant money for necessary Town purposes.

Voted unanimously to accept the Finance Committee's Report and to appropriate and assess the sums enumerated with an addition of \$4000 for Snow Removal.

Voted to adopt the recommendations contained in the Finance Committee's Report :

Voted that the money received from dog taxes be divided ; One-half to the School Educational Fund and one-half to the Library Fund.

Voted that the wages of Town labor, as required by the Statutes, be fixed by the various department heads at rates not in excess of those paid by the State.

Voted that all expenses due to the collection of dog taxes and care of unlicensed dogs be paid from the Police Department Expense Account.

The following is the Finance Committee's Report as voted by the Town :

which were presented for payment after the warrant went to print, a total of \$4,069.70 to be appropriated and assessed.

Article 6. To see if the Town will accept the following gift: \$50 received from Mrs. Mabel L. McKewan to be added to the Mabel L. McKewan Fund already established, income from this additional money to be used for flowers on lot No. 63, Section C on Memorial Day.

Voted unanimously to accept the foregoing gift.

Article 7. To see if the Town will accept the following gift: \$100 received from Mrs. Sydney G. Hahn to establish the "Sydney G. Hahn Fund," income from which to be used for perpetual care of lot No. 42, Section G, Lake View Cemetery.

Voted unanimously to accept the foregoing gift.

Article 8. To see if the Town will accept the following gift: \$100 received from Mrs. Arthur G. Bennett to establish the "Arthur G. Bennett Fund," income from which to be used for perpetual care of lot No. 220, North Cemetery.

Voted unanimously to accept the foregoing gift.

Article 9. To see if the Town will accept the following bequest: \$1,000 under the will of the late Alfred Wayland Cutting to establish a fund to be known as the "Alfred Wayland Cutting Fund," the income from which to be used for the per-

petual care of the burial lots known as the Charles A. Cutting, Charles S. Drury and Abel Gleason lots in the North Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 10. To see if the Town will appropriate \$125 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1935, in accordance with Chapter 114, Section 15, of the General Laws, or do or act.

Voted unanimously that the Town appropriate \$125.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial lots in 1935, in accordance with Chapter 114, Section 15, of the General Laws.

Article 11. To see if the Town will appropriate for "Water Department Maintenance," the sum of \$5,741.40 to be taken from "Water Receipts Reserved for Appropriations in 1935," or do or act.

Voted unanimously that the Town appropriate the sum of \$5,741.40 for "Water Department Maintenance", said sum to be transferred from "Water Department 1935 Receipts reserved for appropriation".

Article 12. To see if the Town will appropriate for payment of Water Main Extension Notes maturing in 1936 the sum of \$4,500 to be taken from "Water Receipts Reserved for Appropriation in 1935," or do or act.

Voted unanimously that the sum of \$4,500.00 be appropriated for payment of Water Department Main Extension Notes of that amount maturing in 1936, said sum to be transferred from "Water Department 1935 Receipts reserved for appropriation".

Article 13. To see if the Town will appropriate for payment of interest due in 1936 on Water Main Extension Notes the sum of \$1,535, same to be taken from "Water Receipts Reserved for Appropriation in 1935," or do or act.

Voted unanimously that the sum of \$1,535.00 be appropriated for payment of interest due in 1936 on Water Department Extension Notes, said sum to be transferred from "Water Department 1935 Receipts reserved for appropriation".

Article 14. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for municipal purposes, under authority of and in accordance with the provisions of Chapter 49, of the Acts of 1933, as amended by Chapter 313 of the Acts of 1934 and as amended by Chapter 300 of the Acts of 1935, or take any action thereto.

Voted unanimously that the Treasurer, with the approval of the Selectmen, be and hereby is, authorized to borrow for general maintenance expenses of the Town the sum of \$15,000.00, but in no event a sum in excess of the amount of tax titles taken or held by the Town, and to issue a note or notes of the Town therefor, all in accordance with the provisions of Chapter 49 of the Acts of 1933, as amended by Chapter 313 of the Acts of 1934, and as amended by Chapter 300 of the Acts of 1935.

Article 15. To see if the Town will vote to purchase a truck for the Highway Department, and to appropriate, grant, borrow or otherwise provide the sum of \$4,000 to pay for the same, or do or act.

Voted unanimously that the Town of Wayland appropriate the sum of \$4,000.00 to purchase a truck for the Highway Department and that \$1,500.00 be assessed and two notes for \$1,250.00 each be given, one to be paid in 1937 and the other to be paid in 1938, and that the Selectmen be a committee to purchase the same.

Article 16. To see if the Town will authorize the Highway Surveyor, with the approval of the Selectmen, to sell, trade or otherwise dispose of the Four Wheel Drive (two ton truck), or do or act.

Voted that the Highway Surveyor, with the approval of the Selectmen is hereby authorized to sell, trade or otherwise dispose of the Four Wheel Drive (two ton truck).

Article 17. To see if the Town will vote to appropriate and assess a sum of money for the purchase of 1,000 feet of 2½ inch hose for the Fire Department.

Voted unanimously that the Town appropriate and assess the sum of eleven hundred dollars (\$1,100.00) to purchase 1,000 feet of 2½ inch hose for the fire department.

Article 18. To see if the Town will appropriate and assess

the sum of \$600 for equipment in the gymnasium of the High School, or do or act.

Voted unanimously to appropriate and assess the sum of \$300.00 for gymnasium equipment, to be expended under the direction of the School Committee.

Article 19. To see if the Town will vote to appropriate and assess the sum of \$400 to collect garbage in Precinct 2, or do or act.

Voted to pass over the Article.

Article 20. To see if the Town will vote to raise and appropriate a sum of money for the improvement of Concord Road; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any action in relation thereto.

Voted unanimously that the Town appropriate and assess the sum of \$6,000.00 to be expended under the direction of the Board of Selectmen for the purpose of relocating and reconstructing a portion of Concord Road according to plans to be recommended by the County Engineers, said sum to be expended in cooperation with the Commonwealth of Massachusetts and the County of Middlesex in accordance with the provisions of the General Laws.

Article 21. To see if the Town will appropriate and assess a sum of money to be used in connection with W. P. A. projects, or do or act.

Voted unanimously that \$20,000.00 be appropriated and assessed to provide for materials, trucking and other necessary expenses on the part of the Town in connection with work projects where labor is provided by the Federal government under W. P. A. or a similar agency. Such projects to include the following with the amounts of money designated therefor:

Graveling Glezen Road	\$2,965.00
Grading and work around new High School	750.00

Said \$20,000.00 to be administered by the Selectmen for the projects specified in this motion and for all other projects voted under other articles in the warrant calling for labor, except Article 20. The Selectmen to have full discretion as to projects for the disposition of any balance of said money.

Article 22. To see if the Town will vote to purchase a

truck for the Water Department, and to appropriate and assess or otherwise provide a sum of money to pay for the same, or do or act.

Voted that the Water Commissioners be and they hereby are authorized to purchase a truck for the Water Department and that the sum of \$880.00 be appropriated and assessed.

Article 23. To see if the Town will authorize the Water Commissioners with the approval of the Selectmen, to sell, trade, or otherwise dispose of the Chevrolet truck, or do or act.

Voted that the Water Commissioners be authorized to sell, trade or otherwise dispose of the Chevrolet truck now in use.

Article 24. To see if the Town will vote to lay a cast iron main from the existing main to connect with the Town of Framingham water supply, and install the necessary valves and appurtenances in connection therewith, and appropriate and assess a sum of money therefor, or do or act.

Voted that the Water Commissioners be and they hereby are authorized to extend a six inch cast iron main from existing six inch main at Spencer Richardson square to the Framingham line a distance of substantially 200 feet and that the sum of \$190.00 be taken from money appropriated under Article 21 for the purpose of providing the necessary pipe and other materials and the labor to be provided from Federal funds.

Article 25. To see if the Town will vote to lay a six-inch water main on Ridgefield Road, replacing four-inch main now in use, and install the necessary valves, hydrants, and appurtenances in connection therewith, and appropriate and assess a sum of money therefor, or do or act.

Voted to pass over the Article.

Article 26. To see if the Town will vote to replace the two-inch water main on Edgewood Road with six-inch cast iron pipe and install the necessary valves, hydrants, and appurtenances in connection herewith, and appropriate and assess a sum of money therefor, or do or act.

Voted to pass over the Article.

Vote: Yes 145 No 76

Article 27. To see if the Town will replace the two-inch

✓ water main on Dudley Road with six-inch cast iron pipe and install the necessary valves, hydrants, and appurtenances in connection therewith, and appropriate a sum of money therefor, or do or act.

✓ Voted that the Water Commissioners be and they hereby are authorized to replace the two inch iron pipe now in existence on Dudley Road with a six inch cast iron pipe a distance of approximately 2,800 feet and that the sum of \$2,800.00 be taken from money appropriated under Article 21 for the purpose of providing the necessary pipe and other materials and the labor be provided from Federal funds.

Vote: Yes 137 No 35

✓ Article 28. To see if the Town will vote to replace the four-inch water main on Castle Gate Road with six-inch iron pipe and install the necessary valves, hydrants, and appurtenances in connection therewith and appropriate and assess a sum of money therefor, or do or act.

Voted not to pass over the Article.

Voted unanimously that the Water Commissioners be and they hereby are authorized to replace the four inch wooden pipe now in existence on Castle Gate Road with a six inch cast iron pipe a distance of approximately 600 feet and that the sum of \$600.00 be taken from money appropriated under Article 21 for the purpose of providing the necessary pipe and other materials and the labor to be provided from Federal funds.

+ Article 29. To see if the Town will vote to replace the two-inch water main on Lake Road with six-inch iron pipe and install the necessary valves, hydrants, and appurtenances in connection therewith, and to appropriate a sum of money therefor, or do or act.

Voted to pass over the Article.

+ Article 30. To see if the Town will vote to replace the two-inch water main on Lake View Road with six-inch iron pipe and install the necessary valves, hydrants and appurtenances in connection therewith, and to appropriate and assess a sum of money therefor, or do or act.

Voted to pass over the Article.

Article 31. To see if the Town will vote to replace the two-inch water main on Crest Road with six-inch iron pipe and

install the necessary valves, hydrants, and appurtenances in connection therewith, and to appropriate and assess a sum of money therefor, or do or act.

Voted to pass over the Article.

Article 32. To see if the Town will vote to replace the two-inch water main on Sunset Road with six-inch cast iron pipe and install the necessary valves, hydrants and appurtenances in connection therewith, and to appropriate and assess a sum of money therefor, or do or act.

Voted to pass over the Article.

Article 33. To see if the Town will appropriate and assess a sum of money for the purpose of installing water mains in Hemlock Road, Lake Shore Drive and Beech Street.

Voted unanimously that the Water Commissioners be and they are hereby authorized to install a six-inch water main in Hemlock Road, Lake Shore Drive and Beech Street a distance of approximately 2,000 feet and that the sum of \$1,900.00 be taken from the money appropriated under Article 21 for the purpose of providing the necessary pipe and other fittings and that the labor be provided from Federal Funds.

Article 34. To see if the Town will appropriate and assess a sum of money for the purpose of installing a water main in Hawthorne Road from Old Connecticut Path to Beech Street.

Voted to pass over the Article.

Article 35. To see if the Town will vote to extend a water main with necessary hydrants, gates and fittings, from Commonwealth Road along Oak Street 1,400 feet and along Valley View Road 550 feet, to the residence of G. Doherty, K. Muhlberg, F. Black, W. Pazolt, E. Therburn, and C. Harrison.

Voted unanimously that the Town appropriate and assess the sum of \$1,800.00 to install a six inch water main with all necessary hydrants, valves and fittings along Oak Street, 1,400 feet to the residence of W. Pazolt and along Valley View Road 550 feet to the residence of D. Harriman. Labor to come from Federal funds and said \$1,800.00 to be taken from the appropriation made available by Article 21.

Article 36. To see if the Town will vote to extend a six-inch water main with fire hydrants, gates, and fittings along

Rice Road from Commonwealth Road to the residence of B. Y. Yanson, a distance of 2,800 feet, at a cost of \$8,236.80, or do or act.

Voted to pass over the Article.

Article 37. To see if the Town will vote to accept as Town ways Pine Ridge Road, Pine Ridge Road Extension, and a portion of Lake Path to the intersection of Hemlock Road, or any portion thereof, all situated within or adjacent to Woodland Park Development, as laid out and filed by the Board of Selectmen, substantially in accordance with plans prepared under the direction of the Planning Board by E. Worthington, C. E., dated August 9, 1935, and on file with the Town Clerk; work to be done under the Betterment Act, and authorize the Selectmen to acquire any necessary land by eminent domain, purchase or otherwise; appropriate a sum of money for acquiring such land and for building said ways, or do or act.

Voted not to accept any roads as Town ways under Article 37.

Vote: No 114 Yes 80

Article 38. To see if the Town will vote to accept as a Town way Sycamore Road for a distance of approximately 750 feet beginning at Old Connecticut Path, or any portion thereof, all situated in Castle Gate North as laid out and filed by the Board of Selectmen, substantially in accordance with plans prepared under the direction of the Planning Board by E. Worthington, C. E., dated January 30 and amended December 16, 1935, and on file with the Town Clerk; work to be done under the Betterment Act and authorize the Selectmen to acquire any necessary land by eminent domain, purchase or otherwise and appropriate a sum of money for acquiring such land and for building said way, or do or act.

Voted to pass over the Article.

Article 39. To see if the Town will vote to accept as a Town way Hemlock Road starting at the intersection of Lake Path and Lake Shore Drive and running to the intersection of Sycamore Road or any portion thereof, as laid out and filed by the Board of Selectmen, in accordance with plans prepared under the direction of the Planning Board by E. Worthington, C. E., dated August 6, 1935, and on file with the Town Clerk; work to be done under the Betterment Act and authorize the Selectmen to acquire any necessary land by eminent domain,

purchase or otherwise, and appropriate a sum of money for acquiring such land and for building said way, or do or act.

Voted to pass over the Article.

Article 40. To see if the Town will appropriate and assess a sum of money for the improvement of the park property adjacent to the new High School, or do or act.

Voted to pass over the Article.

Article 41. To see if the Town will accept and establish the roads on Nob Hill as and for Town ways, or do or act.

Voted that the subject matter of Article 31 be referred to the Selectmen with a request that they act thereon within a reasonable time.

Article 42. To see if the Town will appropriate and assess a certain sum of money for purchase of materials in connection with the Cochituate Village Drainage System and that the work proceed provided the labor can be furnished by the Works Progress Administration or any other Governmental Agency, or do or act.

Voted that the Town appropriate \$346.00 for purchase of materials, money to be taken from Article 21 appropriation, in connection with the Cochituate Village Drainage System and that the work proceed provided the labor can be furnished by the Works Progress Administration or any other Governmental Agency.

Article 43. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town fourteen days at least before the sale, property taken by the Town under tax title procedure provided the Selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action relative thereto.

Voted unanimously that the Town authorize the Town Treasurer with the approval of the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in two convenient and public places in the Town fourteen days at least before the sale, property taken by the Town under tax title procedure the Town Treasurer being given full authority to reject any bid which is deemed inadequate.

Article 44. To see if the Town will accept the gift of the property adjoining the Mill Pond near Wayland Centre, formerly owned by Charlotte Adams, and more recently held by Edmund H. Sears, Trustee, said property to be used for park purposes and to be called the Adams Park, or some similar name, and to be considered as a memorial to Albert L. Adams and Charlotte Adams, and will authorize the Board of Selectmen to accept the gift of said property, subject to any outstanding taxes, to be used as aforesaid, or do or act.

Voted unanimously that the Town gratefully accept the gift of the property adjoining the Mill Pond near Wayland Centre, formerly owned by Charlotte Adams, and more recently held by Edmund H. Sears, Trustee, said property to be used for park purposes and to be called the Adams Park, to be considered a memorial to Albert L. Adams and Charlotte Adams, and that the Board of Selectmen be and they hereby are authorized to accept a deed of said property, subject to any outstanding taxes, said property to be used for Park purposes as aforesaid.

Article 45. To see if the Town will accept the following gift: \$100 received from Warren L. Bishop to establish the "Langmaid and Bishop Fund," income from which to be used for perpetual care of lot No. 85, Section C, Lake View Cemetery.

Voted unanimously to accept the foregoing gift.

Article 46. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing articles.

Voted to pass over the Article.

Voted to dissolve the meeting 10.45 P. M.

A true copy. Attest:

M. ALICE NEALE,
Clerk of the Town of Wayland.

No	227	293	520

Question 3

Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises ?

Yes	327	567	894
No	207	266	473

RECOUNTS

Petitions for recounts were filed with the Town Clerk after each of the following Elections, Town, State Primary and State Elections and recounts were duly held at the Town Hall.

A recount of the votes cast for Selectmen was held March 7, 1936, and a question of the markings on two ballots was made, Mr. Herman F. Allen and J. Fred Wheeler losing one vote thereby but the result of the Election remained the same.

A recount of the votes cast for Representative was held September 22, 1936, and of the votes cast for Lieutenant Governor was held on December 2, 1936, but no changes were made in either case.

Respectfully submitted,

M. ALICE NEALE,
Town Clerk of the Town of Wayland.

DISTRICT VOTE FOR REPRESENTATIVE

November 13, 1936.

On the 13th day of November, the Town Clerks of the 13th Representative District of Middlesex met at Concord, Mass., and declared the following figures to be the result of the State Election held on November 3, 1936.

STATE AUDIT

To the Board of Selectmen,
Mr. Herman F. Allen, *Chairman*,
Wayland, Massachusetts.

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the Town of Wayland for the period from June 25, 1933, to November 23, 1936, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir :

In accordance with your instructions I have made an audit of the books and accounts of the Town of Wayland for the period from June 25, 1933, the date of the previous audit, to November 23, 1936, and submit the following report thereon :

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the Town or committing bills for collection, were examined, checked, and verified by a comparison with the books of the Town Accountant and the Treasurer.

The books and accounts in the Town Accountant's office were examined and checked. The receipts as recorded on the ledger were checked with the records of the several departments making payments to the Treasurer and with the Treasurer's

books, while the recorded payments were checked with the treasury warrants issued by the Selectmen and with the Treasurer's cash book. The appropriations, transfers, and loan authorizations as recorded on the ledger were checked with the Town Clerk's records of town meetings and with the records of the Finance Committee.

The computation of the tax rates for the period covered by the audit were checked and it was noted that appropriations voted from available water surplus have not been used in the determination of the tax rates in accordance with Section 23, Chapter 59, General Laws, which requires that the assessors raise all sums appropriated since the last preceding annual tax assessment, and which also provides that deductions on account of appropriations voted from available funds in the treasury may be made by the assessors only upon the written approval of the Commissioner of Corporations and Taxation.

The necessary correcting and adjusting entries resulting from the audit were made, a trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the Town as of November 23, 1936.

The books and accounts of the Town Treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the departments collecting money for the Town and with the other sources from which money was paid into the Town Treasury, while the payments were checked with the Selectmen's warrants authorizing the disbursement of Town funds. The cash balance on November 23, 1936, was proved by a reconciliation of the bank balances with statements furnished by the banks of deposit.

The payments of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing trust fund investment in the custody of the Treasurer were examined and listed. The income was proved and the withdrawals were checked with the receipts entered in the Treasurer's cash book.

The books and accounts of the Tax Collector were examined and checked. The property and motor vehicle excise taxes and special assessments outstanding at the time of the previous examination were audited, and all subsequent commit-

ments were reconciled with the Assessor's warrants. The payments to the Treasurer were checked to the Treasurer's cash book, the recorded abatements were compared with the Assessor's records of abatements granted, and the outstanding accounts were listed and reconciled with the respective ledger accounts.

Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the Town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of tax titles held by the Town were examined and checked with the deeds on file. The amounts added to the tax title account were compared with the Collector's records and the redemptions were checked with the receipts as recorded on the Treasurer's cash book.

The apportioned street assessments due in subsequent years were listed and the Accountant's ledger was adjusted to agree with the amounts as listed.

The commitments of water charges were examined and checked. The recorded payments to the Treasurer were compared with the Treasurer's cash book, the abatements were verified, and the outstanding accounts were listed and reconciled with the Accountant's ledger.

The Town Clerk's records of sporting and dog licenses and of miscellaneous receipts were examined, the payments to the State being verified by a comparison with the receipts on file and the payments to the Town Treasurer being compared with the Treasurer's cash book.

The accounts of the Public Welfare, School, Library, and Cemetery Departments, as well as of all other departments collecting money for the Town or committing bills for collection, were examined, checked, and reconciled with the Treasurer's and the Accountant's books.

It was noted during the examination of the accounts of the Public Welfare Department that no bills were sent out during the year for amounts due from other cities and towns for aid rendered on unsettled cases. It is recommended that bills for all such cases be rendered at least once or twice yearly and that copies of all bills rendered by the Public Welfare Department be furnished the Town Accountant promptly to permit setting up accounts receivable on the ledger.

It is recommended also that a cash book be kept by the Clerk of the Cemetery Commissioners, in addition to the ledger already in use, and that all receipts of the Cemetery Department be entered in the cash book from which they should be posted to the ledger.

The surety bonds of the various town officials for the faithful performance of their duties were examined and found to be in proper form.

In addition to the balance sheet referred to, there are appended to this report tables showing a reconciliation of the Treasurer's and of the Collector's cash, together with summaries of the tax, assessment, tax title, departmental, and water accounts, as well as tables showing the trust fund transactions.

For the co-operation extended by the various town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,
Assistant Director of Accounts.

REPORT OF THE BOARD OF SELECTMEN

APPOINTMENTS

All regular appointments have been made as required by law. They appear on the list of Town Officers and Committees.

Mr. John W. Leavitt was appointed by our board and the remaining Commissioners of Trust Funds to fill the vacancy caused by the death of Mr. Albert F. Flint. Dr. Ernest E. Sparks was appointed as Trustee of the Allen Fund to fill the vacancy caused by the death of Mr. Isaac Damon. Appointments were for the period up to the next annual Town Meeting in accordance with the General Laws.

CONCORD ROAD CONSTRUCTION

In accordance with a vote of the last annual Town Meeting we have completed the reconstruction of another section of the Concord Road from the Lincoln line south, have finished, except for surfacing, a small piece of the road from that point still further south, and have completed the surfacing of 2 pieces of road which were built last year. The section of the road still to be rebuilt totals about 4,500 feet, and on the basis on which the work has been proceeding the last several years the work will take two or three years. We recommend that the construction of an additional section be undertaken during the year 1937. The trucking and labor on this job has been performed by citizens of the Town under the supervision of the Surveyor of Highways. We should like to suggest that the work continue to be handled by the Board of Selectmen acting as Contractor as in the past and that on completion of the Concord Road a few years hence the Town consider the reconstruction of Old Connecticut Path and at the same time try to have it accepted by the County and State as a Chapter 90 road.

WORKS PROGRESS ADMINISTRATION

Pursuant to the vote of the last annual Town Meeting we have administered the allocation and expenditure of funds

appropriated by the Town to be used for materials, trucking, and other necessary expenses in conjunction with W. P. A. projects where the Federal Government was supplying labor. In this connection water mains were laid on Dudley Road, Castlegate Road, and Hemlock Road and water connection was made between the Wayland system and the Framingham system at Richardson Square. In addition, six-inch water mains were placed in Edgewood Road. Several projects voted the last year still remain to be done: the gravelling of Gleason Road, the grading about the high school, and the installation of water mains on Oak Street and Valley View Road. The carrying out of the first project is tied up with the Farm-to-Market work being done by the Federal Government; the second was unfortunately delayed by the necessity of submitting the project to the Federal Government a second time, but is now in final order and ready to be done in the spring; the third will go through in the spring as soon as the necessary releases are obtained from the owners of property on Valley View Road. Special appropriations for all these projects are carried over and available for use in 1937.

We have attempted to administer the Town's W. P. A. appropriation economically with a view to securing a maximum amount of Federal funds to meet payroll expense. The balances carried over as shown in the budget calculation for 1937 are indicative of the saving effected. During 1936 Wayland received roughly \$53,000 for labor from the Federal Government, in addition to which a substantial amount was spent by the State on State Highway W. P. A. projects on which Wayland citizens were employed.

We regret that it has not been possible to complete all local projects, but it has seemed much more desirable from the point of view of the Town as a whole to continue to allow our men to work on projects exclusively State or Federal, rather than insist that they be transferred to local projects, particularly at a time when the Federal Government was steadily reducing the quota of men which it would allow to work on Town projects.

During December we asked the various Town Departments to submit work which they would like to have considered as W. P. A. projects for the year 1937. They responded promptly and presented a large number of projects from which the work this year with the approval of the Federal W. P. A. officials will be undertaken.

GENERAL

The Lincoln—Wayland boundary was perambulated on November 29, 1936, and the Sudbury—Wayland boundary on December 6, 1936. This leaves the Framingham—Wayland boundary the only one which has not been run within the last two years.

At our direction a number of electric light and telephone poles were relocated during the year and we are recommending the installation of additional lights on both the east and west sides of Dudley Pond.

Our Board, acting on the suggestions and advice of the Surveyor of Highways, after receiving more than three bids purchased from International Harvester Co. the 1936 International C-60 10 ton capacity.

The Town received as a gift from Edmund H. Sears, acting as Trustee for Charlotte Adams, a deed to a certain piece of property adjoining Mill Pond near Wayland Center, the land to be used for park purposes and to be called Adams Park. The deed has been recorded and the property is under the administration of the Park Board.

With a view to setting up proper fire insurance coverage we had an appraisal made of all Town property and the insurance was rewritten on the basis of this appraisal.

The usual minor repairs were made in the Town Hall with the addition of modern indirect lighting in the Selectmen's rooms.

With interest rates continuing low the Town has continued to borrow money at still lower rates than previously.

We wish to thank the Town Officers and citizens for their assistance during the past year.

HERMAN F. ALLEN,
WILLARD C. HUNTING,
JOHN W. LEAVITT,
Board of Selectmen.

REPORT OF THE TOWN ACCOUNTANT

For the year 1936

To the Honorable Board of Selectmen:

REPORT OF WAYLAND PLANNING BOARD

(1936)

The co-operative spirit which has existed throughout the year between the Planning Board and the other Town Boards and officials has been a most encouraging factor in our work.

We were asked to confer with the Selectmen, Water Board, Park Department and W. P. A. Administrator to assist in the preparation of projects for immediate and future government endorsement. Some subjects included were:

1. Preliminary studies of existing private ways in which the Town had voted to lay new cast iron water mains. e.g. Dudley Road, Beachwood Point, Lake Shore Drive and some roads in Shore Acres. Work included location plans, and in some instances the setting of grade stakes to insure that pipes would not require relaying when road may later be accepted and its surface properly graded.

2. Further study of the Dudley Pond District:—to prepare such plans as will soon be needed to meet the growing demand for at least a few of the more important arteries to give adequate access to this section, so as to discourage the numerous tax title sales and to encourage the owners of the better properties to improve them and to add to their holdings.

3. To work with the Town Officials at tax title sales and take steps to reserve for the Town easements for highway purposes where such reservations will soon be needed and might become expensive.

4. To assist the School Department and Park Department by preparing a detailed planting program for the new High School Building, driveway and adjacent grounds. Our work includes a complete planting schedule, having in mind the acceptance of the most generous gift by Dr. Martin Edwards who offered to donate nearly two-thirds of all the shrubs and trees needed to complete the project.

We staked out the holes dug for a group of maples donated by Mr. Alan C. Bemis which were actually planted early last spring. Unfortunately the demand for Town Welfare labor on State Highway work prevented more substantial progress on the grading and planting of the High School grounds.

5. To survey the lots adjacent to and including the Mill Pond at Wayland Center. There are six lots received from the Adams' Estate and accepted at the Annual Town Meeting. The old deeds are involved and some of the boundary lines difficult. We now have the field work completed and are ready to lay out a plan. This plan is the first step toward study of the future development of this most attractive area in the Town's Park System.

In all this work, the Planning Board has been functioning both as a Planning Board and as a Town Engineering Department. Our small yearly allowance would be adequate for the former but is entirely insufficient for the latter activity. The Government authorities are becoming more exacting in their requirements demanding proper plans as prerequisite data for any W. P. A. project. Not all citizens are aware that in our town the total of expenditures from all sources for such projects is second in amount only to our school expenses. The most careful consideration and preparation of project plans should be complete before such work begins. Unless other arrangements are made for supplying this engineering service, your Planning Board will endeavor to expend such funds as may be placed at its disposal so as to obtain the maximum benefit for the general welfare.

GILBERT SMALL, *Chairman*,

Vagrants		3
Insanity	1	3
Runaway children		6
	<hr/> 38	<hr/> 57

HARRY W. CRAIG,
Chief of Police.

REPORT OF THE BOARD OF FIRE ENGINEERS

The records of the Fire Department show a total of 102 alarms answered in 1936, 48 by the Wayland Company and 54 by the Cochituate Company. In several instances the Wayland Company was called to Cochituate to help out on fires that were threatening, and Cochituate aided in Wayland when it appeared extra help was necessary there.

Fires in buildings, including chimney and those caused by oil burners caused only fourteen alarms; a very low record and a correspondingly low fire loss. The other calls covered a wide range. There were the usual number of grass, woods and brush fires and a larger number for emergency work. One drowning accident and a call to rescue two men trapped in a well taxed the resources of the department. On another occasion a boy broke through the ice and on another a horse was pulled from a bog.

The Wayland Company was of great assistance during the spring flood in pumping out cellars of houses where severe illness made it necessary to maintain fires in heating plants.

Apparatus and equipment are all in good condition and ready for work.

Three members of the department, two from Wayland and one from Cochituate, completed the course at the fire drill school in Needham and received certificates on the completion of the work conducted by the Department of Vocational Training. This makes a total of five men who have been interested enough to give their time and receive training which better fits them for the work they are later called on to do.

The fire alarm question will no doubt be settled one way or another by action on the article in the warrant covering the situation. The Board of Engineers sponsored this article as we feel that we are responsible for any result which might occur. Several times the past year the system would not operate and the same thing may again happen when there is an urgent need.

THEODORE H. HARRINGTON,
ERNEST H. DAMON,
ALBERT J. KEACH.

REPORT OF MOTH DEPARTMENT

For the Year 1936

Pay Roll

D. Graham	\$996.00
C. Brackett	4.00
P. Pontasse	20.00

Schedule of Bills

Brewer & Company, arsenate of lead	94.50
A. W. Hunt, team on sprayer	50.00
Wayland Motors, gasoline	6.32
Globe Rubber Works, 100 feet of hose	28.00

Respectfully submitted,

DANIEL J. GRAHAM,

Superintendent.

SEALER OF WEIGHTS AND MEASURES

Report of work performed by Sealer for the year ending
December 31, 1936.

	<i>Sealed</i>
Platform scales over 5,000 lbs.	1
Platform scales under 5,000 lbs.	8
Counter scales under 100 lbs.	9
Spring scales over 100 lbs.	7
Spring scales under 100 lbs.	22
Computing scales under 100 lbs.	7
Personal weighing (slot)	2
Avoirdupois weights	64
Liquid measures	22

ALBERT B. MARCHAND,
Sealer of Weights and Measures.

REPORT OF THE BOARD OF HEALTH

Cochituate, Mass., December 31, 1936.

The Board of Health submit the following report for the year ending 1936.

	<i>Licenses Granted</i>	
Alcohol		9
	<i>Permits Issued</i>	
Conduct undertaking establishment		1
Building cesspools		9
Keeping swine		1

The Board has investigated many complaints during the year. All cases that were reported were taken care of.

The State Board of Health recommends that all children entering school be given the Antitoxin test for the prevention of diphtheria.

The State Board of Health recommends that all dogs in the Town of Wayland be given Anti-Rabies vaccine to prevent the dogs from getting the rabies.

The Board feels that the different Clinics held in the Schools this year was a great help to the children, hoping they will continue with them.

WALDO L. LAWRENCE, *Chairman,*
ERNEST H. DAMON, *Clerk,*
JOHN J. LINNEHAN,
Board of Health.

REPORT OF THE MILK INSPECTOR

January 1, 1937

I herewith submit my report for 1936. There have been twenty-one licenses issued to dealers to sell milk in the Town of Wayland.

Respectfully submitted,

JOHN J. LINNEHAN,
Milk Inspector.

REPORT OF INSPECTOR OF ANIMALS

January 1, 1937.

I herewith submit my report as Inspector of Animals for the year 1936:

Number of cows inspected	261
Number of young stock	76
Number of swine	617
Number of goats	18
Number of dogs quarantined	15

Respectfully submitted,

WARREN F. LAWRENCE,
Inspector of Animals.

REPORT OF HIGHWAY DEPARTMENT

To the Citizens of the Town of Wayland :

Materials

The past year 35,600 gallons of bituminous material have been used on our highways all of this being Tarvia except 2000 gallons of 45% oil which was used to lay dust on back roads.

Railings

About 500 feet of old railings have been replaced and 75 feet more were destroyed by motor vehicles repaired.

Culverts

Five stone culverts have been replaced with concrete pipe.

Gravel

2763 yards of gravel have been spread on the town highways this year. Shoulders have been cut back and 2187 yards of waste have been removed and used to fill and widen narrow roads.

Sand

3378 yards of sand have been used on oiling. Nearly all of this had to be purchased from out of town.

W. P. A.

Under government supervision all our back roads were widened and made ready for graveling. The money to do this graveling is ready and will be done when the government sees fit.

Stone Bridge

The old Stone Bridge is in very bad condition. The abutments have been working out of place slowly, but this spring owing to the flood, their position has been greatly changed. Sooner or later there will be a very bad accident. The bridge is only twelve feet in width and the railing could easily be pushed over into the river as there is absolutely nothing to fasten it to.

This year work has been given to 189 men of the Town.

Respectfully,

ARTHUR HEARD DUDLEY.

WORKS PROGRESS ADMINISTRATION

To the Citizens of the Town of Wayland:

The Works Progress Administration has been very active here in Wayland for the past year and I would like to familiarise the people of Wayland what real benefit the town has derived from the Federal Government funds which was allotted and accepted by the town to help the unemployed.

Federal Funds Expended for Emergency Relief during 1936 for the Town of Wayland

W. P. A. Program (earnings only through December 1936)	\$53,233
E. R. A. Program (December 1936)	246
Value of Surplus Commodities Distributed (through December 1936)	26,731
Total	<hr/> \$80,210

During the year 105 different persons have worked on W. P. A. at different interval. The 105 cases represent 390 persons who received benefits from the wages earned and paid by the Federal Government.

Local Projects

List of Local Projects which have been in operation and have been completed during the year of 1936.

Installing new drainage system on Harrison Street.

Painting of Cochituate Fire Station (Inside and Outside).

Grading around Pumping Station.

600 feet of new 6 inch water pipe laid on Castle Gate Road.

200 feet of new 6 inch water pipe laid on Old Connecticut Path.

1460 feet of new 6 inch water pipe laid on Lake Shore Drive.

2421 feet of new 6 inch water pipe laid on Dudley Road.

1778 feet of new 6 inch water pipe laid on Edgewood Road.

Records of all veterans of all wars enlisting from the Town of Wayland.

State Wide Projects

State Sidewalks on Boston Post Road.
Farm to Market Road on Old Connecticut Path.
Flood Control on Boston Post Road.

Local Projects now in operation

Sewing for the needy.
Cleaning and repairing 4000 school text books.
Trimming 6676 trees along roadsides in Town of Wayland.
Cutting down 71 trees along roadsides in the Town of Wayland.

Owing to the State having preference over all local projects as far as manual labor is concerned, the State has made it impossible for the Town of Wayland to complete certain local projects that the town had voted money for.

Respectfully submitted,

ERNEST H. DAMON,
Wayland W. P. A. Co-ordinator.

REPORT OF THE BOARD OF PUBLIC WELFARE FOR THE YEAR 1936

To the Citizens of the Town of Wayland:

The following is a summary of the number of cases aided during the year:

Total number of cases aided here	56
Number of persons represented	192

Settlement Status

	Cases	Persons
Wayland settled	35	115
Other town or city, aided here	6	21
Unsettled, aided here	15	56

Mother's Aid

Wayland settled	1	3
Other town or city, aided here	1	6

A list of expenditures will be found under the Town Accountant's report.

Respectfully submitted,

MARTIN A. HOLMES, *Chairman*,
HARRY MOYSE, *Clerk*,
JAMES C. McKAY.

REPORT OF THE BUREAU OF OLD AGE ASSISTANCE FOR THE YEAR 1936

Total number of cases aided during 1936	45
Number of new cases	25
Number of deaths	1
Number of cases not allowed	3
Number of cases settled here	38
Number of cases settled elsewhere, aided here	7
Number of cases settled here aided elsewhere	8
Number of cases discontinued	9
Number of cases reopened	3

The increased number of Old Age recipients is due to the fact that the age limit on Old Age Assistance was reduced from 70 years to 65 years by the State Government to meet the requirement of the Federal Government, effective September 1st, 1936.

Receipts and expenditures found in the Accountant's Report.

HARRY MOYSE, *Supervisor.*

REPORT OF SOLDIERS' RELIEF AGENT

To the Board of Selectmen:

Sirs:

Herewith is the annual report of the Soldier's Relief Department and the Administration of Soldier's Benefits.

Eighteen family cases representing one hundred and three persons and seven single person cases were handled from time to time during the year.

Several of the veterans on receipt of their Adjusted Compensation Bonds were able to care for themselves.

Monthly reports were submitted to State W. P. A. Headquarters, as required, showing the supplementary aid, as expended to those in addition to their earnings on W. P. A. projects.

Close contact was held with the local co-ordinator at all times with the best of co-operation.

Respectfully submitted,

JAMES J. BOLTON,
Soldier's Relief Agent.

REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN WAYLAND FOR THE YEAR 1936

The following is a report of the work of the Middlesex County Extension Service in the town of Wayland for the year 1936.

As is generally known, this is a county institution carried on by the Trustees for County Aid to Agriculture, appointed by the County Commissioners for the development of agriculture and homemaking in Middlesex County. Each town is represented by a director appointed by the Trustees. These services are free to any citizen of the county. Headquarters are maintained at 19 Everett Street, Concord, where a staff of agents trained in their particular field is available upon request.

Soil deficiencies have been indicated to farmers through soil tests and recommendations to correct these deficiencies have been given. Dairy farmers have been assisted in planning their crop program in securing market connections and what information is obtainable has been given in the control of mastitis.

For the fruit growers spray warning cards have been sent to all those interested and suggestions given for the material to use and the time of application for the control of the various insect and fungus troubles of the orchardist.

A large number of farm visits have been made to poultrymen, fruit growers and market gardeners upon request. A culling, tattooing and wax picking demonstration was held at the farm of George Richardson in Cochituate.

Wayland has been very active in Extension work during the past year. Wayland has a representative on the Women's Council of the Extension Service in the person of Mrs. T. P. Costelloe, who has been active as a leader and also as an organizer. There were five home furnishing groups in Wayland studying methods to improve their homes through re-arranging of their furnishings and the wise use of color.

In addition, at Tower Hill, Plain Street, Pemberton Road, Main Street, and Cochituate-North Natick sections meetings were held. The Mothers' Club of Cochituate-North Natick has carried the Extension program for eleven years. The fact that this organization continues to thrive shows that it fills a very decided need in the community. There were three groups in Wayland taking the coat and hat project this past fall; Pemberton Road group, Tower Hill group, and Cochituate Main Street. Many attractive coats and hats for youngsters were made at very reasonable cost. A representative from the Extension Office also helped to judge at the fair in Cochituate. The many lovely quilts and rugs made it difficult to choose the winning articles.

In 1936 Wayland had three 4-H handicraft groups, two clothing, two poultry, two conservation, two garden, one junior homemakers, one canning, one stamp, and one music appreciation.

Club members of Wayland held an exhibit and achievement program in connection with a spring meeting of the Parent-Teacher Association. The Cochituate members also displayed work for the Parent-Teacher Association in their community and in the fall at the Grange Fair.

Dorothy Decatur represented the South Middlesex Service Club at State Camp. Ruth Decatur was representative of the Music Appreciation group she led, which won first state honors.

Mrs. Leslie Reid attended State Leaders' Camp. Barbara Reid was invited to be a special guest at the State 4-H Dress Revue in Amherst. She and Marjorie Ellis and Beatrice Decatur were in the blue ribbon class in the South Middlesex Dress Revue.

Priscilla Harrington was one of fifteen prize winners in an all-county canning competition.

George Toohill was awarded, for his excellent work in the 4-H gardening, a medal by the Massachusetts Horticultural Society.

The two-day trip to the Massachusetts Horticultural Society for 1936 was awarded to George Toohill for gardening, Marjorie Ellis for news-writing, Albert Smith for handicraft, and Kenneth Morrell for poultry.

Among the 4-H leaders not previously mentioned are: Elmer Bigwood, F. D. McGettigan, Robert Tillson, Mrs. Quo Heggen, Mrs. Charles Harrington, Miss Ena Tillson, Miss Dorothy Decatur and Miss Rita Bennett. The town 4-H Chairman is Mrs. Joseph H. Decatur.

A speaker for the Grange Teachers' reception was furnished.

MIDDLESEX COUNTY EXTENSION SERVICE

Joseph Decatur, *Director.*

REPORT OF WAYLAND DISTRICT NURSE

To the President and Members of the
Wayland District Nursing Association:

I hereby submit my sixteenth annual report for the year ending December 31, 1936.

Cases carried	81
Cases opened	201
Nursing visits	973
Deliveries attended	5
Prenatal visits	16
Advisory visits	139
Friendly visits	49
Pre-school visits	51

The pre-school conference, sponsored by the District Nursing Association, which was started in the spring and discontinued in the summer months, will be resumed in the very near future.

Respectfully submitted,

MARY E. McNEIL,
District Nurse.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Wayland :

We wish, as your School Committee, to present the following report in accordance with custom for the year ending December 31, 1936

There have been no changes in membership or organization of the School Committee since the last report. Regular meetings being held on the Wednesday evening preceding the first and third Mondays of each month, excepting however, the month of August.

The School Department, through the kindness of citizens and various organizations of the Town, were the recipients of many generous gifts. We wish to express our sincere thanks to these donors.

We continue to recognize the desirability of filling such vacancies as we have, by selecting so-called local candidates, providing, of course, that such candidates are duly qualified for the positions open.

Government projects, pre school work and book repairing, have been carried on under the direction of the local administrator, Mr. Ernest H. Damon, and have proven of real value to the School Department. Proposed Government projects for the ensuing year include ; the grading of the High School, the painting of the interior and exterior of the two Grammar Schools and the drainage of the Cochituate School. These projects have been submitted through the co-operation of the Selectmen, Finance Committee and the Administrator.

We are printing as a part of the School Report, the reports of the Superintendent and the heads of school departments. We hope that these reports will be read by our citizens. We feel that our schools are in excellent condition and merit the hearty endorsement of our citizens. We are anxious at all

time to improve them and to that end we shall welcome suggestions.

Respectfully submitted,

LLEWELLYN MILLS, *Chairman*,

DOROTHY STONE, *Vice Chairman*,

CORNELIUS J. MAGUIRE, *Secretary*.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Wayland School Committee:

The thirty-ninth report of the Superintendent of Schools, Superintendency Union, No. 30, is presented herewith. The usual statistics and other reports are included. It is my twenty-seventh.

One hundred years ago Horace Mann began his great work in education as Secretary of the State Board of Education. It is with a "kind of reverence" that the attention of our students will be directed to the great educational service rendered Massachusetts by our pioneer in educational advancement whose work here became world renowned. His work, his dreams, and his vision have helped in making the achievements of the last century possible.

Horace Mann attended school for about ten weeks each year. The equipment was very meager but it furnished the incentive for study at the academy and the college. In a letter to his friend he said, "If my parents had not the means to give me knowledge, they intensified the love for it. They always spoke of learning and learned men with enthusiasm and a kind of reverence."

In grateful remembrance of Horace Mann and his great contributions to education I am incorporating in this report a few of his aphorisms.

"The Common School is the greatest discovery ever made by man."

"The Common School is the institution which can receive and train up children in the elements of all good knowledge, and of virtue, before they are subjected to the alienating competitions of life."

"All the blind, then, and all the ignorant,—that is, all the children,—must be educated to the point of perceiving and admitting truth, and acting according to its mandates."

"When a teacher stimulates a child to the performance of actions, externally right, by appealing to motives intrinsically wrong, he sells that child into bondage to the wrong motive."

"Punishment should never be inflicted except in cases of the extremest necessity; while the experiment of sympathy, confidence, persuasion, encouragement, should be repeated, forever and ever."

"Teaching is the most difficult of all arts, and the profoundest of all sciences."

"The Highest service we can perform for others is to help them to help themselves."

"I hold treason against this government to be an enormous crime; but great as it is, I hold treason against free speech to be incomparably greater."

"Every teacher ought to know vastly more than he is required to teach, so that he may be furnished on every subject with copious illustrations and instructive anecdote."

"Education is our only political safety. Outside of this art, all is deluge."

May the Wayland schools be maintained forever in the spirit of Horace Mann!

THE DENTAL CLINIC

Dr. John V. Blasi of Boston has served as Dentist during the year with the exception of two days at which time Dr. Whitehead substituted for him. Dr. Blasi comes to the school for work usually Wednesday afternoons of each school week. Mrs. Jane Campbell and Mrs. Mary E. McNeil, School and District Nurse, assist Dr. Blasi.

From Dr. Blasi's records—

Cochituate School:

Number of children examined	118
Extractions	93
Fillings	263

Center School:

Number of children examined	109
Extractions	78
Fillings	245

The Red Cross gift of \$75 and the Town Grant of \$350 for each of the last two fiscal years have been expended we believe judiciously in order to care for as great a number of children with defective teeth as possible. Besides the dental work done as outlined from the records of Dr. Blasi an electric drill has been purchased, linoleum for the dental room floor at the Center Building has been laid, forceps and other dental instruments have been added to the equipment, and a quantity of dental supplies in anticipation of future needs has been purchased.

DONATIONS

From time to time donations are made to schools by organizations and by individuals. It is my intention to take note of these in the annual report. None are ever purposely omitted and none should ever be inadvertently overlooked. I am sorry to have been guilty of omissions.

Miss Marie L. Leach gave the High School from her father's Library two sets of books. We thank her for this kindness. Mr. Leach was an honored citizen of the town many years and Miss Leach served as teacher in our schools.

The Cochituate Parent-Teacher Association placed in the Cochituate School last year a piano to be used by the school as well as by the Association.

A group of Cochituate women placed a piano on the stage at the Gymnasium of the High School for the use of the school and community.

The Red Cross gave the Dental Clinic \$75. This has been used for dental work only.

The Center Parent-Teacher Association has paid the travelling expenses of a student teacher of Physical Education whose services were given the High School the last school year. The service is now devoted to the children of the Center Elementary School.

The combined effort of the Parent-Teacher Associations provides funds for the award of the Scholarship.

The Wayland Parent-Teacher Association has also given funds for the purchase of recreation equipment and has furnished mid-day refreshments for a few children.

Mr. Schleicher gave stock and labor that the stairs to the boys' locker room might be painted.

Mr. Alan C. Bemis presented the trees, set out, for the High School grounds. Two could not be set on account of necessary grading.

The offers of individuals and organizations to contribute shrubs and so forth for the beautifying of the High School grounds could not be accepted for well-known reasons. This generosity toward the beautifying of the school surroundings is appreciated by all, I am sure.

Dr. John V. Blasi, Dental Surgeon, has given a number of much needed dental instruments to the school. He has also, after clinic hours and without charge to the clinic, treated a few adults. These may be classified as emergency treatments.

Mrs. Jane Noel Campbell has given time after school hours to assist Mrs. McNeil that transportation of children to and from the clinic and their homes might be cared for. This has made the dental service more efficient.

In order that our athletic teams may have after school practice and out of town games and in order that students may remain after school for work at the machines or to receive further instruction from our teachers Principal Allen and Coach Gladu have given many miles of transportation to our students this year as in past years.

Mr. Morrissey has arranged his day a good many times so as to send a machine after large groups of students who need to be at the school a longer time than the regular school day. He has also transported our people to out of town school games at a very low price.

Mr. Morrissey and Mr. Sherman favored the children with transportation from Wayland Center to the Christmas Party given the children by our American Legion and Auxilliary at Legion Hall.

Mrs. Dorothy C. Stone and Mr. C. J. Maguire have given the plate glass mirrors recently placed in the High School building.

We are indebted to the Dwight Heard estate for some very attractive Indian Pottery and some pictures. These will be used in our Art Classes.

Mrs. Janet M. McNamara, after many years of delightful and efficient service, resigned at the close of the last school year.

Mr. James Morton left the service of the Cochituate School after eleven years of work at the school as janitor. This service was performed at all times efficiently and graciously.

The lockers installed at the High School for the girls, the change in the stairway to the boys' locker room, the building of closets for storage in the household arts room and the installation of basketball equipment have added much to the service of the High School building.

The lights at the Center building are much appreciated.

If the WPA project for renovating the Center building and for painting at the Cochituate building come through, the elementary school buildings will be in the best condition we have ever seen them.

It is to be sincerely hoped that the project to drain the Cochituate school grounds and the vicinity may be perfected. This is the most needed improvement in town at this time. Grading at the High School is highly desirable but not necessary from a health point of view. It will remove an eye sore and make the Center of our Town much more attractive. Drainage at the Cochituate School will serve as a protection to the building and assist in making the building more sanitary for the children.

If it be possible to re-organize the High School so that every pupil may be given physical education at least twice a week, it will be highly desirable. Credit toward gaining graduation units will be given for these courses in due proportion to work required in other subjects. In order to make such courses possible further teaching hours are needed. Hence the recommendation for an additional teacher. If health education is to be extended to the elementary grades a teacher for this work will be needed.

It is a pleasure to report that our graduates from the commercial and college preparatory courses are making good records for the school in business and in college; others are doing equally well in selected lines of employment. Vigorous work on the part of teachers and students brings success.

Our relations with higher institutions of learning are very cordial. I am pleased to quote from a letter to Principal Allen from Worcester Polytechnic Institute.

Quotation :

June 20, 1936.

Dear Mr. Allen :

I take pleasure in informing you that our Committee on Certification of Preparatory Schools has voted to renew the certificate privilege of your school for three years, to January 1, 1939. I certainly enjoyed my visit at your fine new school last April. I have no doubt that any candidate whom you may send will come well prepared. If at any time we can be of assistance to you in your work, do not fail to call upon us freely.

With best wishes, I am,

Yours cordially,

(Signed) Z. W. COOMBS,
Dean of Admissions.

I am very grateful to all who have worked with with me in the interest of our boys and girls. We can do our best educational work when prosecuting our tasks cheerfully and harmoniously.

Respectfully submitted,

FRANK H. BENEDICT.

REPORT OF THE HIGH SCHOOL PRINCIPAL

Superintendent Frank H. Benedict,
Cochituate, Mass.

Dear Mr. Benedict :

I herewith submit to you my nineteenth annual report as Principal of the Wayland High School.

The maximum enrollment of the school to date is 145 students. Of these 71 are boys and 74 are girls.

The following tabulation shows this enrollment by classes.

Class	Boys	Girls	Total
Freshman	28	23	51
Sophomore	18	21	39
Junior	14	14	28
Senior	11	15	26
Post Graduate	—	1	1
Totals	71	74	145

The enrollment January 12, 1937, is 133 students. Of these 65 are boys and 68 are girls.

The school is organized this year much as it has been in years past. This year I had to form a second class in Business Practice. This forced me to give up my free period that I had used to meet students. There is great need for this period. There are times when this one period is not enough.

I wish to call to your attention that Mr. Gladu teaches six periods per day and gives one period to the study hall work besides the long hours after school devoted to football and baseball coaching. Since the baskets have been put in place in the Gymnasium he has taken care of about twenty boys in basketball after school. It seems to me that some provision should be made to take care of a part of this teaching load.

Miss Orlean Heald has come to work with the girls in the Gymnasium on Thursdays. The girls have enjoyed the work very much. If possible some provision should be made so that the fine room that the school has would be used more by the students. Both boys and girls should have regular work every day or as often as can be organized in the school schedule.

I see no way to carry out these suggestions except to increase the number of teachers employed.

Sincerely yours,

DAVID J. ALLEN.

Wayland, Mass.
Jan. 12, 1937.

REPORT OF THE SCHOOL PHYSICIAN

Mr. Frank H. Benedict,
Superintendent of Wayland Schools,
Wayland, Massachusetts.

Dear Mr. Benedict :

I herewith have the honor of submitting to you my twelfth report as School Physician of the Wayland Schools.

All the students were carefully examined and any defects in connection with the head, neck and chest were noted.

I shall omit the results of the high school examinations and report the defects of the grades only.

There has been an improvement of conditions since last year in all respects as may be seen by comparison of the following figures :

Comparing the years	1935 and 1936	
Defective tonsils	177	150
Adenoids	83	47
Glands—defective	37	28
Defective teeth	234	174
Defective posture	140	84
Defective heart	5	3

The common skin diseases incident to school infection such as pediculosis, scabies and impetigo contagiosa have been less prevalent than in past years.

Working in conjunction with the Board of Health a Toxin-anti-toxin clinic was held.

The dental clinic needs to be mentioned only by comparing the decrease in the number of defective teeth noted in this year's record with that of last year's as reported in these notes.

Tonsil and adenoid cases should be referred to the family physician for further advice.

Considerable improvement in posture can be developed by correcting the above mentioned defects plus proper exercises and natural development.

I wish again as I have in former years to express my sincere appreciation for the co-operation I always receive in this work.

Respectfully submitted,

ERNEST E. SPARKS,
School Physician.

REPORT OF THE SCHOOL NURSE

Mr. Frank H. Benedict,
Superintendent of Schools,
Wayland, Mass.

Dear Sir.

I hereby submit my sixteenth annual report for the year ending December 31, 1936.

Usually I have visited both school buildings daily, doing classroom inspection. Sight and hearing tests were given the children; weighing and measuring were done every three months.

I assisted Dr. Sparks in the annual physical examinations and sent notices to the parents of the defects found by him. In June I aided the school physician in giving the Toxin-Antitoxin treatment to the grade pupils and to a few pre-school children. This treatment is sponsored by the Board of Health.

Again this year I have helped Dr. John Vincent Blasi at our Dental Clinic, which is conducted one half day each week.

Last May the students of the seventh, ninth and eleventh grades, whose parents were willing, were given the Tuberculin Test by a physician from the Middlesex County Sanatorium in Waltham. Those who had a positive reaction were X-rayed, and some of this group had a physical examination.

During the year several cases of infection among the pupils were referred to Dr. Sparks.

Home visits to school children	256
Children accompanied home because of illness	33
Children accompanied home from dental clinic	71
Children excluded because of infection	41
First Aid	19
Social service visits	10

Respectfully submitted,

MARY E. McNEIL,
School Nurse.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Mr. Frank H. Benedict,
Superintendent of Schools,
Wayland, Mass.

Dear Sir :

During the past year I have had fifteen cases of absence reported to me.

Number having no excuse	9
Truants accompanied to school	3

On the following page you will find the figures I have prepared for the School Census Report.

Respectfully submitted,

MARY E. McNEIL,
Supervisor of Attendance.

Dunham, Lilla	*Parkes, Patricia
Fullick, George	**Reid, Barbara
Gallagher, Vincent	**Reid, Florence Ethelyn
*****Gerald, Lester	Steele, Dorothy
Loker, Robert	Therrien, Rita
	Tillson, Robert
†Dudley, Barbara	

† *Omitted from the 1935 list on account of a possible error in the records as kept in the registers required by the State.*

* *Perfect in attendance for two years*

** *Perfect in attendance for three years*

***** *Perfect in attendance for six years*

***** *Perfect in attendance for eight years*

x *Absent one-half day for Confirmation*

xx *Excused at 1.30 P. M. for Confirmation*

xxx *Twice tardy because of being altar boy*

By vote of the Wayland School Committee, "The Roll of Students Perfect in Attendance" will be omitted from future School Committee Reports. The Committee believes that children attend school to maintain their perfect record when their health demands that they remain at home. Attendance of children at school when ill exposes other children to infection or contagion. Perfect attendance at school for a year or a term of years is a worthy ambition but needs to be pursued with care and moderation.

REPORT OF THE LIBRARY TRUSTEES

The annual report of the Librarian to the Trustees is herewith presented, showing the statistics for the past year. The report shows fewer books issued both from the Main Library and from the Cochituate Branch. That is a favorable indication of the better condition of our people. Abnormal unemployment sends people to libraries for books with which to pass time. Return of employment reduces the unusual demand on libraries.

The purchase of new books has continued to the limit of available funds. However, necessary economy of present years too nearly limits such purchases to popular books to meet the ever present popular demand. Non-fiction, for which there is limited call, is not duplicated for the Cochituate Branch, but is available to Cochituate people on request at their local Branch.

The problem of a suitable home for the Cochituate Branch becomes more and more pressing with the passing years. However, the Trustees await better times to present it to our citizens as a problem for solution.

AMOS I. HADLEY, *Chairman*,
J. SIDNEY STONE,
JOHN H. KNAPP,
GEORGE G. BOGREN,
ARTHUR C. K. HALLOCK,
JAMES R. MARTIN, *Secretary*.

REPORT OF THE PARK COMMISSIONERS

For the Year 1936

Appropriation for 1936	\$200.00
Expenses for 1936	200.00

With what help we could get from Welfare workers, we kept the grass in the center of the Town mowed to the best of our ability.

Respectfully submitted,

JOHN E. LINNEHAN,
JAMES BOLTON.

REPORT OF THE WAYLAND WATER BOARD

To the Inhabitants of the Town of Wayland:

The Board organized with Walter S. Bigwood, Chairman; Alfred C. Damon, Clerk and Collector; and A. A. Lamarine was reappointed Superintendent.

The Board wishes to thank the Planning Board for their co-operation in furnishing grades for the laying of the six-inch water main on Dudley Road.

The Board wishes to call your attention to the fact that owing to the large consumption of water during the summer months it has been necessary to run the Pumping Station 24 hrs. per day. If this demand continues in the future the Board recommends that a new well and auxiliary pump be installed.

WALTER S. BIGWOOD, *Chairman*,
ALFRED C. DAMON, *Clerk*,
GEORGE G. BOGREN.

Report of Superintendent of Water Works for the year 1936

SERVICES

New services	21
Old services renewed	15
Service pipes lowered	6
Replaced service boxes	8
Service trenches dug out and refilled with sand	4

MAINS

All main installations were done as W. P. A. projects with the exception of 70 feet of 6-inch pipe on Connecticut Path.

Tees were cut in and gate valves set on West Plain Street for Castle Gate South replacement, on Connecticut Path for extension to Framingham line, on West Plain Street for Edgewood Road replacement. A tapping sleeve and valve was put in on North Main Street for Dudley Road replacement.

On account of new road construction water mains were insulated against freezing in two catch basins on State Road, over aqueduct on Connecticut Path East and in catch basin on Castle Gate South Street. The 4-inch main on Connecticut Path East was lowered under new culvert. The three 2-inch supply pipes in Castle Gate South section were connected to new 6-inch cast iron main.

HYDRANTS

Five hydrants were broken by automobiles. New installations were made on Knob Hill Street and Plain Road.—Tower Hill. Replacements: Castle Gate South, Shawmut Street Extension, Cochituate Road 2, State Road, Damon Street.

Hydrants moved on account of street widening: State Road 5, Connecticut Path 5.

LEAKS

Service pipes in street 7, main valves 4, well pipes 4, main lines none.

FROZEN PIPES

There was but one frozen street service. The 2-inch main on Lake Road froze for first time. 200 ft. were thawed out.

PUMPING STATION

More water was pumped than in any previous year. The pumping station was taxed beyond its limit during the summer season.

Gallons of water pumped and comparison with previous three years:

1936	124,624,856
1935	107,418,766
1934	115,175,383
1933	111,335,185

Four thousand Scotch Pine seedlings were set out at station grounds, two thousand White Pine on town land Connecticut Path and one thousand Spruce at reservoir.

WATER MAINS INSTALLED AS W. P. A. PROJECTS

Castle Gate South: 624 ft. 6-inch cast iron pipe, two gate valves, two valve boxes, two tees.

Shore Drive, Castle Gate North: 1,460 ft. 6-inch cast iron pipe, two hydrants, four gate valves, four valve boxes, two tees.

Dudley Road: 2,306 ft. 6-inch cast iron pipe, four hydrants, six gate valves, seven valve boxes, five tees, one 12x6 tapping sleeve and valve.

Edgewood Road: 1,775 ft. 6-inch cast iron pipe, two hydrants, five gate valves, five valve boxes, five tees.

Connecticut Path: 269 ft. 6-inch cast iron pipe, two gate valves, two valve boxes, one tee. (Connection with Framingham).

ALFRED A. LAMARINE,
Superintendent.

REPORT OF THE WAYLAND CEMETERY COMMISSIONERS FOR 1937

During 1936 fifteen hundred dollars (\$1,500) was received to establish Perpetual Care Funds, as follows:

\$100 from Warren L. Bishop to establish the "Langmaid and Bishop Fund."

\$1,000 from the Estate of Alfred W. Cutting to establish the "Alfred W. Cutting Fund."

\$100 from Nathaniel R. Gerald to establish the "Nathaniel R. Gerald Fund."

\$100 from Annie B. Bent to establish the "James A. Bent Fund."

\$200 from Blanche D. Schleicher to establish the "Erwin W. Schleicher Fund."

The above added funds provides a sum amounting to \$21,050 at interest giving a balance on December 31, 1936 of \$1,185.22.

Ten burial lots and graves were sold during 1936 providing \$258 to be appropriated for the use of the Cemetery Commission during 1937.

Some needed fencing was done in the North Cemetery, as well as necessary water pipes in the North Cemetery Extension.

It is hoped that the Town of Wayland will supply necessary money to improve and repair the Receiving Tomb in Lake View Cemetery.

The Cemetery Commissioners again call attention to the fact that there are relatively few burial lots available. More land will soon be needed in Lake View Cemetery. There is a piece of land adjoining the northeasterly corner of Lake View Cemetery, of about one and a half acres in area, available. In the 1937 Town Warrant is an article relative to its purchase or taking.

Respectfully submitted,

PAUL B. DAVIS, *Chairman*,
WARREN D. VALENTINE,
WILLIAM READ, *Clerk*.
